TYROLEAN JET SERVICES' CHARITY PROJECT

Harvey accompanies our Crews since many years on our aircraft right across the world. Inside his Rucksack he has a Logbook and an Autograph Book in which many Tyrolean Jet Services' VIP guests support this project with very personal comments, autographs and photos.

Harvey collected thousands of miles. This year we made a considerable donation to a local integrative Kindergarten for emotionally handicapped children. These handicapped children require highly specialised care in their further emotional and social development.
