

## Press Release

# TYROLEAN JET SERVICES receives EBAA PLATINUM SAFETY AWARD 2014

Geneva – May 2014

**At EBACE 2014 Tyrolean Jet Services (TJS) will be honored by European Business Aviation Association (EBAA) with the **Platinum Safety Award** for operating Business Jets logging more than 100.000 flight hours - all accident free.**

With Tyrolean Jet Services' unique collection of Business Jets, ranging from ACJ319, ACJ318 ER, Global Express, Gulfstream G550, Gulfstream G200, several Midsize Business Jets to a Citation CJ2 Light Jet and their experienced and dedicated staff TJS was awarded for the long-standing commitment to safety and more than three decades-long records for safe flight.

This award reflects TJS' ongoing safety awareness, which is well supported by its highly professional staff. Working for TJS is supported by a family-friendly working environment for an equally balanced number of male & female staff, many of them working for TJS already more than two decades.

Tyrolean Jet Services - established in 1978 and based in Innsbruck/Austria - offers worldwide VIP- Private- & Business Jet Charters, Aircraft-Management & Maintenance Services.

Tyrolean Jet Services presents its brand new spacious booth #6556 at EBACE 2014 and their sophisticated ACJ319 Reg.OE-LOV at the Static Display.

TJS has already been awarded with the BACA Global Excellence Award and the EBAA Silver and Golden Safety Award in 2009 and 2010.
